# ANNUAL CAR SHOW

Antique Automobile Club of America (AACA) Venice Region Inc. is made up of a group of auto enthusiasts who are interested in the collector car hobby. Our membership numbers more than 245 such people who love to own and show their cars.

AACA Venice Region Inc. is a cornerstone in the state of Florida as it is ranked 4th in the state which is comprised of 27 regions. We continue to champion the cause of promoting the antique, classic car hobby and second generation vehicle hobby.

The club's primary goal is to raise funds for scholarships and our local charities by promoting and staging one of the area's premier car show events. This show is modeled and judged based upon the rules and regulations of the AACA National Club in Hershey, PA. The look of the club today is not much different than it was envisioned by its founders; a place where all family members are welcomed and participate in the club's success.

As a regional representative of the AACA, we promote and educate the public, as well as the collector car community, on the historical value that the automobile has on our society. The aim is to foster goodwill, fellowship, and sportsmanship among our members and the local community.

To say this is just a local event would be an understatement as it attracts more than 15,000 people from Florida and beyond. On "show day", we expect 250 participants offering their cars for the community's viewing pleasure. The show will draw spectators to downtown Venice, some who would not normally visit the area. Many of these people will also enjoy the shopping and restaurants that this location affords them.

All car show entrants will receive an information packet, dash plaques, show t-shirt, and door prize tickets. There will be a drawing for three \$100 prizes! The back of the t-shirts proudly display our Car Show Sponsors and act as a billboard of advertising, not only at the show, but all year 'round. The vehicles will be judged in very specific categories and we expect to award about 74 trophies. This is a pre-registration only event and the fee is only \$35.

This charitable activity would not be possible without the support of our business partners in the community and over 50 volunteers. A big Thank You to all of them.

Please review this brochure and fill out and return the Sponsorship Form on the back, along with your contribution.

That's why we develop extraordinary relationships between our dogs and the people who need them. We offer our dogs and services at no cost throughout the United States.

## **Venice High School Scholarships**

We believe the future depends on our young people. It is our pleasure to offer college scholarships to VHS students in need. Over the years, the AACA Venice Region Inc has donated over \$100,000 to deserving VHS seniors.
